<https://doi.org/10.1186/s12859-023-05161-y>

Following publication of the original article [1], it was reported that the article entitled “On triangle inequalities of correlation-based distances for gene expression profiles” was published in the regular issue of this journal instead of in the supplement issue.

The details of the supplement in which this article ought to have been published are given below:

### About this supplement

This article has been published as part of *BMC Bioinformatics* Volume 23 Supplement 3, 2022: Selected articles from the International Conference on Intelligent Biology and Medicine (ICIBM 2021): *bioinformatics*. The full contents of the supplement are available online at <https://bmcbioinformatics.biomedcentral.com/articles/supplements/volume-23-supplement-3>.

The publisher apologizes for any inconvenience caused.

Published online: 31 May 2023
