

UAiTED Announces 2024 Recipients of Faculty Exchange Scholarship

2024-05-05

The UAiTED Secretariat is pleased to present this year's award to an excellent and deserving group of scholars. The award is given in recognition of their significant contributions to research and outstanding efforts in fostering collaboration across institutes and disciplines.

Our team has received numerous applications with remarkable qualifications. Collaborating with a panel of external judges, we have thoroughly reviewed each submission, and we are delighted to announce the recipient of the award.

Congratulations to the above-mentioned awardees for their outstanding attributions. We commend their commitment to academic excellence and their dedication to fostering collaboration within our university community.

We would like to express our sincere appreciation to all the applicants for their time and effort in submitting their applications. The level of expertise demonstrated throughout the selection process was truly remarkable, making the final decisions exceptionally challenging.

The awarded scholarships will provide the recipients with valuable opportunities for professional development, knowledge exchange, and fostering international networks. We believe that their participation will contribute significantly to enhancing the academic exchange initiatives within our university consortium.

Once again, we extend our warmest congratulations to the recipients of the 2024 UAI TED Faculty Exchange Scholarship. We look forward to witnessing the positive outcomes of their collaborative endeavors.
