

***International Institute
for FRP in Construction***

*The CICE 2010 Award for BEST PAPER for
Research on FRP Strengthening of Existing Structures*

is awarded to

J.G. Dai, W.Y. Gao and J.G. Teng

for the paper entitled

**Finite Element Modeling of Insulated FRP-Strengthened RC Beams
Exposed to Fire**

The Fifth International Conference on FRP Composites in Civil Engineering

27-29 September 2010, Beijing, China

A handwritten signature in blue ink, appearing to read 'K. Neale'.

**Kenneth W. Neale, President of IIFC
September 2010**
