The Conference aims at bringing together the Hong Kong studies research community and promoting exchange, sharing and collaboration of Hong Kong-focused research. We also wish to make best use of this annual occasion for honoring outstanding papers in different disciplines of Hong Kong Studies. For this purpose, a Review Panel comprising of the following distinguished scholars was formed to identify and recommend **outstanding papers published in hardcopy in peer-reviewed English academic journals in 2016 / 2017**. The composition of the Review Panel is as follows:

Chairman: Prof. Lui Tai-lok (EdUHK)  
Members: Prof. Chiu Wing-kai, Stephen (EdUHK)

Prof. Tse Kwan-choi, Thomas (CUHK)  
Prof. Yep Kin-man, Ray (CityU)  
Secretary: Dr. Fong Chi-hang, Brian (EdUHK)

We are very pleased to inform you that your paper entitled “**The Evolution of an Urban Vision: The Multilevel Pedestrian Networks in Hong Kong 1965-1997**” has been recommended by the Review Panel as one of the outstanding papers. In this regard, we would like to invite you to attend the Conference to receive the award and deliver a 20-minute presentation on this paper during the Conference. The details and the tentative programme rundown of the Conference are enclosed for your information and consideration.

It will be our great pleasure to have your support for this important and meaningful initiative for Hong Kong Studies. As a token of our appreciation for your great achievement and participation, we would like to offer you an economy class roundtrip air ticket plus 3-day and 2-night hotel accommodation.
