Correction to: *Nature Communications*; <https://doi.org/10.1038/s41467-018-05681-9>; published online 10 August 2018

The originally published version of this Article contained an error in Fig. 4. The bar chart in panel f was inadvertently replaced with a duplicate of the bar chart in panel e. This error has now been corrected in both the PDF and HTML versions of the Article.
