Correction to: *Light: Science & Applications*
<https://doi.org/10.1038/s41377-021-00662-y>,
published online 28 October 2021

In the version of this article initially published, there were errors in Fig. 3a. The PL mapping image of Target sample (Au@PAT-modified MAPbI₃) after treatment was incorrectly positioned on the Control sample (PAT-treated MAPbI₃). In addition, the color scales were drawn in the wrong orientation.

So we would like to correct Fig. 3 in the initial published version to the following figure:

We would like to apologize for any inconvenience this may have caused.

The original article has been updated.
